### Pearl River High School Cafeteria Survey

Class: \_\_\_\_\_ Period: \_\_\_\_\_

We are seeking your feedback to help us evaluate new offerings and consider other changes. Keep in mind that school cafeterias work under federal nutrition guidelines and that the food service company works under a contract with the school district. This may limit the kinds of items they are allowed to serve (no candy or soda) and the prices they can charge. All 8th, 9th, 10th, and 11th graders are invited to take this survey.

1. How many days each week do you typically buy food in the school cafeteria?  
Place a check in the appropriate box beside each type of food.

3. Which of the following items, if added to the cafeteria selections, would you purchase?
- ☐ Buffalo wings  
☐ Fajitas

☐ Quesadillas  
☐ Grilled cheese with bacon

☐ Pancakes  
☐ Waffles
4. What other suggestions would you make for additions to the cafeteria selections?
5. We welcome any other comments or suggestions you have to increase participation and satisfaction with the cafeteria service:

Thank you for your input. We will report back to you.

The above questionnaire is designed for the Peari River high School specifically for the cafeteria. This questionnaire is used as a survey to receive feedback from students from 8<sup>th</sup> grade up to 11<sup>th</sup> grade. It is a well-structured questionnaire for the target audience targeted as the purpose of the data collection is precise ensuring the data required is being captured correctly (Question Pro, 2021).

To further improve this questionnaire, the respondent should have the option to add other items that they would like to see in the cafeteria that the option is not provided and would like to be introduced that the cafeteria can consider in the future (Netigate, 2020).
